

Bricks on a Mission for Hospice House

"Help pave the way...Buy a brick today"

Hospice House opened in 2012 to serve the Eastern Upper Peninsula. Show your support by purchasing a personalized brick that will be part of the "Friendship Garden," located at Hospice House. Your donation will pay tribute to individuals, families, and groups that have a special place in your heart. All profits directly contribute to the cost of the new home.

The epoxy filled bricks have a lifetime guarantee.
