OLD MISSION BANK ANNOUNCES PROMOTION

Old Mission Bank is pleased to announce that Claudia Weiler has been promoted to the position of Officer by the Board of Directors of Old Mission Bank with responsibilities as the Main Office Branch Manager. She joined Old Mission Bank in March 2015, bringing with her 10 years of banking experience as AVP Branch Manager (including consumer and mortgage lending) for Independent Bank in Essexville, MI; 5 additional years of experience as AVP Mortgage Operations Manager with Independent Bank Mortgage Company, and 9 years of experience managing Title Companies in the same area.

Claudia is a native of the Farmington, MI area, and now lives in Dafter with her husband, Bob, and their two much-loved dogs, on property that has been in the Weiler family for decades. Claudia says she still marvels at the changing seasons, looking out at the beautiful view from their home. Claudia's son, Matthew, is married and lives in Saginaw where he is a social worker. Her daughter, Amy, also married, lives in Bay City and teaches computer classes in the public schools.

Gary Sharp, President of Old Mission Bank, stated "We are pleased to have Claudia join the bank, and congratulate her on this appointment. Claudia's knowledge and experience are valuable resources—not only for Old Mission Bank but more importantly, for our customers!" Cathie Chenoweth, EVP and CFO, agreed. "Claudia has jumped in and become an active member of the bank's management team, as well as the community since moving to the area. She is active in Rotary and Red Coats, has volunteered at many local events, and is also heading up our new "flash mob" experience—where Old Mission Bank employees patronize local businesses as a group to show them how much we value their business! Let her know if you'd like to get on the list for a visit!"

Old Mission Bank is the operating entity of Old Mission Bancorp, Inc. a locally owned and controlled single bank holding company, formed in 1999 by twelve local incorporators, eleven of whom continue to serve as Directors of the Bank and its holding company. The current Directors are Thomas Robinson (Chairman), David Firack (CEO), Gary Sharp (President), Carol Brawley, Steven Cannello, Catherine Chenoweth (EVP/CFO), Kevin Cooper, Theodore Haapala, Anthony Haller, James Halvorsen, D.
